Iwaki City Monthly Event & Information Guide

Welcome to our first edition of Iwa-Key!!!

Iwaki's Monthly English Event & Information Guide that was previously known as "Time Out" has helped keep the local English-speaking community informed about what's going on around the city for over 25 years. However, we have decided to change the name of this newsletter to "Iwa-Key".

We came up with this title, a combined word made up of "Iwaki" and "Key", in the hope that this will serve as a key for our international residents in order to make the most of their daily life in Iwaki by keeping up to date on the latest events and notices.

I will continue to provide our readers with all the essential information so that you will be able to make the most of your time in this city from now on. I thank all the past contributors of our previous newsletter up until now and look forward to continuing in assisting everyone through this new title.
